

Our Mission

Parish Evaluation Project is a team of Pastoral Consultants who resource and respond in ministry to religious and service organizations across the United States and beyond.

By modeling among ourselves and encouraging others to act in a partnership of shared wisdom and expertise, we provide opportunities for leaders to uncover needs and dreams, and move into the challenging future with faith, hope and prophecy.

PARISH LEADERSHIP RETREATS

"This retreat generated excitement and enthusiasm. It gathered the leadership together to envision and clarify the next steps for our faith community."

Fr. Tony Zimmer, Pastor
St Anthony on the Lake Parish,
Pewaukee, WI

Parish Leadership Retreats are a time to break from the busyness of each day for prayer and personal reflection. Directed specifically to the pastor, staff, pastoral council and other parish leaders, these retreats consist of spiritual input, individual prayer and group interaction. They provide time for retreatants to deepen their personal spiritual journey, sharpen their awareness of the overall mission of the parish, and make commitments to expand the mission into places they had not thought of before this retreat.

"The retreat set us on a path to reinvigorate ourselves and to recommit to our parish mission. It gave everyone an opportunity to become invested and engaged."

Ron Svoboda, Parish Administrator
St. Ignatius of Loyola
Spring, TX

"This experience gave us time to reflect on deeper matters which we don't do at our regular meetings."

Aleda Downs,
Accountant
St. Mary of the Woods
Chicago
